

Wayaendeavors is an inter-faculty adventurous competition organized by Wayaexplorers - Wayamba University of Sri Lanka. The adventurous competition was held on the 07th of October 2023 at Yakdessagala mountain in Kurunegala.

There were 12 energetic teams including 10 members in each group. Faculty of Agriculture and Plantation Management, Faculty of Livestock, Fisheries and Nutrition, Faculty of Medicine, and Faculty of Applied Sciences participated in Wayaendeavors.

The main aim of Wayaendeavors was to provide basic theoretical and practical knowledge, that any explorer should have.

There were 05 Checkpoints in the competition that examined each and every team.

The checkpoints were categorized as Knots, Nature and animals, Map reading and navigation, First aid, and Rope activities.

After giving a hard, enthusiastic, and unity effort by the team FAPM - A, at the end of the competition, was able to win the place of Second Runners-up in Wayaendeavors.

FAPM - A team was well led by the great captancy of

Mr. D.A.R. Chathura Nuwan Jayathissa; a 3rd-year undergraduate - FAPM.

The winning team was built with the powerful participation of

Mr. Malith Ilshan,

Ms. Kasuni Hansika,

Ms. Thushari Senevirathna,

Mr. Tharshan,

Ms. Nuwanshi Vihara,

Mr. Dinuth Nipulanga,

Ms. Gayani Kaweesha,

Mr. Nilan Devinda,

Mr. Lakshan Chathuranga.

The winners were awarded Bronze Medals, Certificates, and gift vouchers for Kithulgala water rafting with a 30% discount. The awarding Ceremony was held on the same day (07th of October) at the Auditorium of the Faculty of Agriculture and Plantation Management.

Congratulations on the great achievement of the team FAPM - A.

Best wishes on your future endeavors.
