

Congratulations! Ms. Upekkha Flags FAPM-WUSL in the 1st Place at All-Island Science Fiction Competition, 2020

Ms. H.U. Abhayarathne from the Department of Biotechnology in the Faculty of Agriculture and Plantation Management (FAPM) of Wayamba University of Sri Lanka (WUSL) won the 1st place for her fiction themed "*Maranaya Abiyasa*" under the undergraduate category at the "All-island Science Fiction Competition, 2020", organized by the National Science Foundation (NSF), Sri Lanka. Ms. Upekkha was the former vice-president of the Biotechnology Society (BitSoc) (2019/2020) and currently serving as a Temporary Academic-Supportive Staff Member in the Faculty. Well-done Ms. Upekkha!
